THE HISTORY OF

DON'S ORIGINAL

1945 Don Barbato returns home after WWII. He leases a small hot dog stand on Lake Ontario and calls it "Don and Bob's". A Rochester landmark eatery is born.

1953 Don expands his business and opens a second location on Monroe Avenue. This "food emporium" is over 6,000 square feet with a one-of-a-kind expanded menu which included everything from broasted chicken to broiled scallops.

1973 Don sells the Monroe Ave Location to slow down and spend time with family. He still owns the Seabreeze location but decides to change the name to "Don's Original".

1991 Terry Klee, former employee and close friend of the Barbato family, takes over Don's Original restaurant.

1997 Terry opens a brand new Don's Original location on Monroe Avenue, just down the street from the former Don and Bob's. Like Don, Terry expands the menu and creates a very successful year-round location.

2002 Don's Original Penfield opens with an even bigger store and more varied menu.

2005 Long time Don's Original employees and Penfield residents, John and Karen Cipro take ownership of the Penfield Don's.

2006 Beer and Wine is added to the Penfield menu, cheers!

2007 The Pub opens at the Penfield location, with a full-service bar, table service, High-definition TV's, expanded sports bar menu and a patio. Don's Original Restaurant and Pub is a family-owned and operated, local favorite!

2016 Don's Original delivers! Check us out on Facebook or order online at donsrestaurantandpub.com
